

Addenda to the Student Code of Conduct

Oakland Early College students are expected to abide by the Student Code of Conduct of West Bloomfield School District, and by community standard established by Oakland Community College.

Additionally, the following provisions are in effect:

Zero-tolerance policy. Fighting, bullying, gang activity, willful intimidation or harassment, harassment and/or assault, the use and/or possession of illicit substances including drugs and alcohol, serious misuse of technology, the willful destruction of campus or school property, or the commission of any serious crime and/or misdemeanor or activities that substantially disrupt the educational process, are strictly prohibited at OEC, and will result in immediate suspension, closure of college coursework, and recommendation for advancement to Step 12 in the student code of conduct to the West Bloomfield School District Board of Education.

Use of cellphones and laptops. For safety and communications purposes, students are encouraged to have a cellphone in their possession. However, they are not to be used during class except in the case of emergency. Inappropriate use of cellphones will result in confiscation or other punitive action.

Students are welcome to bring laptops to OEC, and to use them in an academically appropriate manner. However, they are only to be used during class with instructor permission, and students are expected to abide by OCC and WBSD standards regarding appropriate technology usage. OEC students may be required to sign and abide by appropriate use policy statements.
